

ATTESTATION OF CONFORMITY

1042

by certification body „OFI CERT“ regarding the hygiene suitability for drinking water of

PTFE Tube produced with INOFLON® MGN 7045

(see appendix 1)

under **SYSTEM 1+** with external monitoring of the following production sites

of the manufacturer

UNI GASKET SRL

Via Lombardia 16, 24060 Villongo (BG), Italy

produced at the production site

UNI GASKET SRL

Via Lombardia 16, 24060 Villongo (BG), Italy

We hereby certify that the products indicated above based on

- the recommendation for conformity attestation of product hygiene suitability for drinking water (29 July 2021),
- the certification programme ZI-21 (OFI CERT),
- the submitted product information, including the formulation details,
- and the assessment documents (OFI 2500291 / 26344)

meets the requirements of the „German Environment Agency – Evaluation criteria for plastics and other organic materials in contact with drinking water (KTW-BWGL)“ (rev. 2025-02-24) for the area of application "pipes ID <80 mm" in cold and hot water (23°C to 85°C) and is in compliance with the above documents.

The assessment documents¹⁾ are part of this attestation of conformity. This attestation of conformity was issued for the first time on 2024-10-18 and is valid from the date of issue below until 2029-10-18. Additionally, the preconditions specified below under „Remarks“ have to be fulfilled.

Remarks:

The attestation of conformity is issued under the precondition that the starting materials used to manufacture the products and /or their composition and/or components, including their manufactures and supply chain, have been disclosed in full and the product does not contain any further substances. This document shall be invalid in case of changes to the composition of the product or the processing conditions that have not been agreed upon with the certification body, failure to meet the conformity requirements or termination of the 1+ system monitoring programme by OFI CERT and manufacturer.

The finding of our tests and the evaluations apply for the test objects examined and the provisions of the law applicable at the time of testing. Without our express written approval, it is only permitted to publish or reproduce this document in full and unedited.

Vienna, 18th of July 2025

(supersedes version from: 2024-10-18)

Dr. Vanessa Thöny

Deputy Head of certification body OFI CERT
